

Stay
Hurts

B **G#m**
My whole life waiting for the right time
E **B**
To tell you how I feel.
B **G#m**
Know I try to tell you that I need you.
E
Here I am without you.
B **F#**
I feel so lost but what can I do?
E **B**
Cause I know this love seems real
G#m **F#**
But I don t know how to feel.

B
We say goodbye in the pouring rain
F#
And I break down as you walk away.
G#m E
Stay, stay.
B
Cause all my life I felt this way
F#
But I could never find the words to say
G#m E
Stay, stay.

B **G#m**
Alright, everything is alright
E **B**
Since you came along
B
And before you
G#m
I had nowhere to run to
E
Nothing to hold on to
B **F#**
I came so close to giving it up.
E **B**
And I wonder if you know
G#m **F#**
How it feels to let you go?

B
We say goodbye in the pouring rain

F#

And I break down as you walk away.

G#m E

Stay, stay.

B

Cause all my life I felt this way

F#

But I could never find the words to say

G#m E

Stay, stay.

B

So you change your mind

F#

And say you re mine.

G#m

Don t leave tonight

E

Stay.

B

say goodbye in the pouring rain

F#

And I break down as you walk away.

G#m E

Stay, stay.

B

Cause all my life I felt this way

F#

But I could never find the words to say

G#m E

Stay, stay.

B F#

Stay with me, stay with me,

G#m E

Stay with me, stay with me,

B F# G#m E

Stay, stay, stay, stay with me.
