Sleep Tight Tiger Husky Rescue

Here is an example finger picking style to play to chords which I think sounds better than strumming.

G shown as an example. Repeat the style for each of the chords.

```
[Intro]
E | -----|
B | ----0----- |
G | ------
D|-----|
A | -----|
E | ----3------|
Sleep tight tiger, sleep tight tiger
Sleep tight tiger, sweet dreams till tomorrow
Sleep tight tiger
G
Sleep tight tiger, sleep tight tiger
I love you love you love you first thing in the morning
                              Αm
The day time the night time when the angels are calling
They whisper they whisper in the top of my tongue
                      Am
The tiny little words that tickles your ear drum
Sleep tight tiger, sleep tight tiger
Sleep tight tiger, sweet dreams till tomorrow
Sleep tight tiger
G
Sleep tight tiger sweet dreams till tomorrow
I ll be teardrop in your pillow the beautiful sorrow
I love you love you like I do in the noon
I am the shadow on your skin and I ll be gone very soon
```

```
Sleep tight tiger

G
Sleep tight tiger
