Eb Cm Dsus4
It s always around me, all this noise but

Not nearly as loud as a voice singing
Eb Cm Dsus4
Let it happen, let it happen
Eb Cm Dsus4 Dsus4
Just let it happen, let it happen

[Chorus]

Am F
All this running around
G Em
Trying to cover my shadow
Am F
An ocean growing inside
G Em
Now all the others seem shallow
Am F
All this running around
G Em
Bearing down on my shoulders
Am F
I can hear an alarm
G Dsus4
Must be morning

[Post-Chorus]

Eb Cm Dsus4 (x2)

[Verse 2]

Eb Cm Dsus4
I heard about a whirlwind that s coming around
Eb Cm Dsus4
It s gonna carry off all that isn t bound, and
Eb Cm Dsus4
When it happens, when it happens
Eb Cm Dsus4 Dsus4
So let it happen, let it happen

[Chorus]

Am F
 All this running around
G Em
 I can t fight it much longer
Am F
 Something s trying to get out
G Em
 And it s never been closer
Am F
 If my ticker fails

 Make up some other story

 But if I never come back

 Tell my mother I m sorry
