Intro:

Am Several Times till C#, C strumming means:
Am, then C#, C, after that play A instead of Am

Refrain:

A
Late at night, down under the ground

A **C# C**
In the dark, just you and me

A
In this room, with the lights out
A **C# D#**
I can be who you want me to be

A
Late at night and lost in your love

A **C# C**
In the dark, I want you near

A
I m your whore and you re my white dove
A **C# D#**
I can make us disappear...

Bridge:

Now silence the strings and strum from A 5th fret back to A

Now play the A on 5th fret again but play only the last 3 strings, which means
G, B, e

A
Late at night and lost in your love
In the dark, I want you near
I m your whore and you re my white dove
I can make us disappear...

Chorus:

C **B** **A**
All I wanna do is shout about it!
C **B** **A**
All I wanna do is breathe you in!
C **B** **A**
All I wanna do is never be without it!
C **B** **A**
Don t save me from this original sin!

C **B** **A**

All I wanna do is shout about it!

C B A

All I wanna do is breathe you in!

C B A

I can never live without it,

D C F

Where you stop is where I begin!

A several times

Chorus2:

C# C A

All I wanna do is shout about it!

C# C A

All I wanna do is breathe you in!

C# C A

All I wanna do is never be without it!

C# C A

Don't save me from this original sin!

C# C A

All I wanna do is shout about it!

C# C A

All I wanna do is breathe you in!

C# C A

I can never live without it,

D C F

Where you stop is where I begin!

Yeah, again :D
