

Glamorous Sky
hyde

E **B** **A**
I could have seen the other side
 C#m

Taking a step into the sky
B **A** **B**
Ah, I m always late

E **B** **A**
I could have done the same routine
 G#m **C#m**

Showing the old and golden scene
B **A**
I m lying again

B
To make them go

E **B** **A**
Wearing again my rocking shoes
 C#m

Over the puddles made of tears
B

Flash back
 F#m
I know you re clever

B
I remember

A **B** **C#m** **G#m**
I know we could cross over rainbows

A **B** **C#m**
I wish that we could aim the sun again

A **B** **C#m** **B**
I know we could dream for tomorrow

A **B** **C#m**
To share the long forgotten Glamorous days

E B A **C#m B A**
Ah...

E **B** **A**
I could have done a lot for you
 G#m **C#m**

Nothing was left for me to do
B **A**

Ah, I m always late

B

I let you go

E **B** **A**

You always said it s Rock n Roll

C#m

Life is a battle, fight and grow

B

Flash back

F#m

I love your flavor

B

I remember

A **B** **C#m** **G#m**

I know we can shine like the starlight

A **B** **C#m**

I wish that we could aim sky again

A **B** **C#m** **B**

I know we could dream for tomorrow

A **B** **A**

To share a long forgotten Glamorous day

B A B

C#m G#m A F#m C#m G#m A F#m B

I won t be sleeping !

A **B** **C#m** **G#m**

Sunday, Monday, Yet another Tuesday

A **B** **C#m** **G#m**

Wednesday, Thursday you re still away

A **B** **C#m** **G#m**

Friday, Saturday, I ll be lonely everyday

A **B** **C#m**

And I m crying high up to the moon

A **B** **A**

And I somehow hope to hear you cry

A **B** **C#m** **G#m**

I know I could fight all the troubles

A **B** **C#m**

If only I could stay there on your side

A **B** **C#m** **B**

I know I should dream on my own now

A **B** **C#m**

To chase the long forgotten Glorious days

A **B** **C#m** **G#m**

I know we could cross over rainbows

A **B** **C#m**

I wish that we could aim the sun again

A **B** **C#m** **B**
I know we could dream for tomorrow

A **B** **C#m**
To share the long forgotten Glamorous days

B/D# **E** **C#m**
 Glamourous Sky...
