

The Us

I Am Arrows

G **C**
I took my time, and got a little lost
G **C**
I was not told, and had a feeling I d been crossed
Em **G** **C**
If you think I m looking a little grey
Em **G** **C**
It s just the way I m feeling these days

G
Is this the us you ve fallen for?
C
If it is then we re done for
G
Is this the us you ve fallen for?
C
I guess it s what we all long for

G **C**
If we d have thought about the walls we d have to climb
G **C**
Would we see this through and feel like everything was just fine?
Em **G** **C**
If you see me looking the other way
Em **G** **C**
It s just the way I m looking these days

G
Is this the us you ve fallen for?
C
If it is then we re done for
G
Is this the us you ve fallen for?
C
I guess it s what we all long for

This is a great song; very simple to play. Enjoy!
