

Bruised Black And Blue
I Am Kloom

G **F(D)** **E** **E7**
lights are shining all round this world

Am **C** **D**
you want them all but what you want is this girl

G **F(D)** **E** **E7**
you can stick those rules, they re just second best

Am **C** **D**
they give you so much but you land up with less

they give you money but what you need is love

it makes you smile pretending its all enough

G **F(D)** **E** **E7**
see the world now its bruised black and blue

Am **C** **D**
you want it all but all i want is you

C **D** **G**
so give up the chance to be true

F(D) **E** **E7** **Am** **C**
we all wind up like we knew we d do

D **G** **C**
bruised black and blue

D **G**
bruised black and blue
