

**Bruised Black And Blue**

**I Am Klood**

**G** **F(D)** **E** **E7**  
lights are shining all round this world

**Am** **C** **D**  
you want them all but what you want is this girl

**G** **F(D)** **E** **E7**  
you can stick those rules, they re just second best

**Am** **C** **D**  
they give you so much but you land up with less

they give you money but what you need is love

it makes you smile pretending its all enough

**G** **F(D)** **E** **E7**  
see the world now its bruised black and blue

**Am** **C** **D**  
you want it all but all i want is you

**C** **D** **G**  
so give up the chance to be true

**F(D)** **E** **E7** **Am** **C**  
we all wind up like we knew we d do

**D** **G** **C**  
bruised black and blue

**D** **G**  
bruised black and blue
