Song: I Am Kloot - Darkstar

Date: April 27th, 2004

-----

The first song I heard from I Am Kloot back in 2001. It completely changed my life right there. Anyways, the bass chords are usually played so pay attention to the strumming.

Chords:

- Gm** [355333]

[[Verse I]]

**Gm**            **Bb**        **C7**            **DbSus2**  
A dark star follows me tonight  
**Cm**            **Cm7**      **F9**            **F9/G**  
Filled with horror and delight  
**Gm**            **Bb**        **C7**            **DbSus2**  
She s come to make another son  
**Cm**            **Cm7**      **F9**            **F9/G**  
A brother for the other one, who s gone

[[Chorus]]

**Gm C7 Gm C7 Gm C7 Bb Am Gm F**      x2

[[Verse II]]

**Gm**            **Bb**        **C7**            **DbSus2**  
The black storm on the pillow there,  
**Cm**            **Cm7**      **F9**            **F9/G**  
Is the colour of her hair  
**Gm**            **Bb**        **C7**            **DbSus2**  
Held by some strange gravity  
**Cm**            **Cm7**      **F9**            **F9/G**  
Are my dark star and me.

[[Chorus]]

[[Verse III]]

**Gm**            **Bb**        **C7**            **DbSus2**  
A dark star follows you tonight, you re filled  
**Cm**            **Cm7**      **F9**            **F9/G**  
With horror and delight  
**Gm**            **Bb**        **C7**            **DbSus2**  
You ve come to make another son,  
**Cm**            **Cm7**      **F9**            **F9/G**  
A brother for the other one  
**Gm**            **Bb**        **C7**            **DbSus2**  
I hold a picture of your face,  
**Cm**            **Cm7**      **F9**            **F9/G**  
in my memory in embrace

**Gm**            **Bb**            **C7**            **Dbsus2**

With you I find I can't replace

**Cm**            **Cm7**            **F9**            **F9/G**

My dark star.
