Verse 1
=======
```
Bm                  Bm/Bb
    Hold back the night
Bm/A                Bm/Ab
    The streets are filled with laughter
G                  Gb                  G
    Soon I ll be after you once a-gain
          G                       Gb
Come to my house and say we re friends
         G
I cannot help but see
```

Verse 2
=======
```
Bm                  Bm/Bb
    Gone are the days
Bm/A                Bm/Ab
    We tripped the light fantastic
G                  Gb                  G
    Solutions more drastic running wild
             Gb                  G
Where did you go to my little child I cannot help but see
```

Verse 3
=======
```
Bm                  Bm/Bb
    Fill up your days
Bm/A                Bm/Ab
    And your pock-ets with plenty
G                  Gb                  G
```

```
        Soon they ll be empty once a-gain
                Gb                      G
Someone has sent me to you my friend
                  Gb
We just canâ€™t keep on running

Verse 4
======
Bm                      Bm/Bb
    Hold back the time
Bm/A          Bm/Ab
    And the waves of reason
G                 Gb              G
    Guilty of treason once a-gain
                  Gb                      G
Stop all the seasons the sun and the rain
            Gb
Until you stop believing
