Song: I Am Kloot - Over My Shoulders

Date: May 4th, 2004

You can finally move to the music with this song.
Try to find some little variation in the chords.

Chords:

A [x00232]

E [355433]

C#m [244222]

[[Intro]]

A

E A E A E

[[Verse I]]

E Shut your mouth and watch my lips **A**
Can t you feel the healing fingertips **E**
Coming down on you like rain **A**
And tell me now whether we remain **E**

[[Chorus I]]

C#m Over my shoulder you go **A**
C#m Back to a bar that we both used to know **A E**

[[Verse II]]

E **A**
I used to work the night and day
E
Nobody listened to a word I say
A
I didn't care you knew me then
E
Someone stupid asked if we were friends and

[[Chorus II]]

C#m **A**
Over my shoulder it goes
C#m **A** **E**
And where it lands, I don't want to know

[[Verse III]]

E **A**
So shut your mouth and watch my lips
E
Can't you feel the healing fingertips
A
Coming down on you like rain
E
So tell me now whether we remain

[[Chorus III]]

C#m **A**
Over my shoulder you go
C#m **A** **E**
Back to a bar that we both used to know

[[Ending]]

C#m **A**
Over my shoulder it goes
C#m **A** **E**
And where it lands, I don't want to know
