

Shoeless

I Am Kloom

Shoeless - I Am Kloom
(from: Let It All In)

C

Shoeless in your favourite dress,
F **C**
you walk the shore, the waves caress your feet.
G
You don't really mind.

C

Gaily on a garden swing,
F **C**
who dares to care what tomorrow brings
G
or leaves behind?

Am7 **F**
Don't let the clouds clutter up your sky
Am **F**
Let the TVs turn off their weary eyes
Am **F**
for who are we, you and I,
G
in all that and all this?

C

Ceaseless are the hours you keep.
F
You ride the tides, the waves of sleep.
C **G**
You meet yourself, how many times?

C

May we walk the afternoons,
F **C**
the snows of winter, flowers of June,
G
each season's rhyme.

Am7 **F**
Don't let the clouds clutter up your sky

Am **F**
Let the TVs turn off their weary eyes
Am **F**
for who are we, you and I,
G
in all that and all this?

Dm **Am**
Something lost came and found you,
Dm **Am**
like the sea would surround you
F **Fm** **C** **G**
on the beach, throwing pebbles from the shore.

Dm **Am**
I was lost when I found you.
Dm **Am**
Is it me that surrounds you
F **Fm** **C** **Bb** **G**
while out of reach, throwing pebbles from the shore?

Am7 **F**
Don t let the clouds clutter up your sky
Am **F**
Let the TVs turn off their weary eyes
Am **F**
for who are we, you and I,
G
in all that and all this?
