A **C#m** **C**
The gods and the saints preserve you,
E
cos nobody here deserves you,
A **C#m** **C**
I m living my life in flashback,
E
since I lost my card for cashback,
A **C#m** **C**
And I ve gone to wrack and ruin,
E
since I don t know what you re doing,
A **C#m** **C**
There s no clear or present danger
E
that I see in a stranger.

A **C#m** **C** **E**
Someone, somewhere said to me,
A **C#m** **C** **E**
will someone somewhere set me free,
A **C#m** **C** **E**
Wont hurry up or harry me,
A **C#m**
will someone somewhere marry me

A C#m C E
To you

A C#m C E
To you

A C#m C E
To you

A C#m C E

To you

The line on the screen is broken,
what once was asleep has woken,
I cover you re face in make-up praying
you ll one day wake up,
I ve littered my life with magic,
yet I m neither dead nor tragic,
The gods and the saints preserve you
cos nobody here deserves you.

Someone, somewhere said to me,
will someone somewhere set me free,
Wont hurry up or harry me,
will someone somewhere marry me
To you, to you, to you, to you.

Someone, somewhere said to me,
will someone somewhere set me free,
Wont hurry up or harry me,
will someone somewhere marry me
To you, to you, to you, to you.
