

Caesar

I Blame Coco

Am C F Dm Repeated throughout entire song.

Such a catchy song I tell you I love I blame coco.
enjoy!

I want to annoy
And Iâ€™m going to enjoy it
Merely cause weâ€™re bored
Merely because weâ€™re bored
Cause all you do is hope
Youâ€™re all fucking hopeless
And itâ€™s the Lord of the Flies all over again
Itâ€™s the Lord of the Flies all over again

Now who holds the show
Will be Caesar
You can even have it written on your T-shirt
Now who holds the show
Will be Caesar
You can even have it written on your T-shirt
Here we go

King of the hopeless will fall
Weâ€™re gonna knock down the walls
Sing in the Caesar with force
Weâ€™re gonna knock down these doors

Iâ€™ve heard it all before
And I chose to ignore it
Thereâ€™s someone at your door
Thereâ€™s somebody at your door

Prepare for the test
Youâ€™ll all get infested
Now itâ€™s the Miligram device all over again
Itâ€™s the Miligram device all over again

Now who holds the show
Will be Caesar
You can even have it written on your T-shirt
Now who holds the show
Will be Caesar
You can even have it written on your T-shirt
Here we go

King of the hopeless will fall
Weâ€™re gonna knock down the walls

Sing in the Caesar with force
Weâ€™re gonna knock down the walls
Weâ€™re gonna knock down these doors

Hey Caesar
Yo Coco
Hello Geezer
Hey Mama
Can you fly?
Yep
I thought Robins can fly
Whatever
Huh?

Weâ€™re gonna knock down the walls

King of the hopeless will fall
Weâ€™re gonna knock down the walls
Sing in the Caesar with force
Weâ€™re gonna knock down the walls
Knock down the walls
King of the hopeless will fall
Knock down the walls
Sing in the Caesar with force
Knock down the walls

Iâ€™m going to enjoy it
