**G#m/F# G#m/G G#m/G# G#m/G G#m/F#**

I ve lost control

My heart s turned to coal  
Cause I ve lost control

**C#m Ebm E F#**

Is that why you think I m cool  
Because I get fucked up on you

**G#m/F# G#m/G G#m/G# G#m/G G#m/F#**

I ve lost control  
And I ve lost my soul

**C#m Ebm E F#**

Is that why you think I m cool  
Because I get fucked up on you

**C#m Ebm E F#**

Is that why you think I m cool

**B Ebm G#m**

How can this be wrong, babe  
I hope that I can stay  
Until my heart freezes sober

**B Ebm**

See, I just think we re drunk

**C#m**

Maybe we re caught in a car crash coma

**B Ebm G#m**

Can we be drunk forever

**G#m/F# G#m/G G#m/G# G#m/G G#m/F#**

I ve lost control (I ve lost control)  
I ve got your cold (I ve got your cold)

**C#m Ebm E F#**

Is that why they ll call us fools  
Because I get fucked up on you  
Is that why you think I m cool

**B Ebm G#m**

How can this be wrong, babe  
I hope that I can stay  
Until my heart freezes sober

**B Ebm**

See, I just think we re drunk

**C#m**  
Maybe we re caught in a car crash coma  
**B Ebm G#m**  
Can we be drunk forever

**B Ebm G#m**  
How can this be wrong, babe  
I hope that I can stay  
Until my heart freezes sober  
**B Ebm**  
See, I just think we re drunk

**C#m**  
Maybe we re caught in a car crash coma  
**B Ebm G#m**  
Can we be drunk forever

**G#m/F# G#m/G G#m/G# G#m/G G#m/F#**
