

Ritalin

I Blame Coco

hey :) i did this by ear, however i don t think they are the actual chords,
however they seem to fit :)

Em

If it s just me and you,

Am

we can find something to use

Bm

Don t leave,

or you ll wait for something funny to pass through

Em

A stutter breaks my flow

Am

Can t you see I ve got to go

Bm

Goodbye, I love you, I was far too slow

C

If it s just me and you,

D

well there s no need for something new

G

D

Em

Just made my eyes change colour in the summer from green to blue

C

You re just like my Ritalin

D

You ll always win

Em

You could break my wings

Said I can t sing

Em

If it s just me and you,

Am

an awkward silence makes me lose

G

Another drink, my favourite brew will help me to confront the truth

Am

So why don t you jump into my brain,

Em

ride my bloodstream through my veins

G

Run your fingers through my mane

Am

But we stood still and cried.

Em

We wait till something dies

Am

Our hopes & dreams will fly

Em **D**

and death itself stood by

C

Cause you re just like my Ritalin

D

See yeah babe, you always win

Am

You could break my wings

Em

And Say I can t sing

C

Then I ll make your enemies cry,

D

you made me rhyme

Em

If I turn back time, I would have made you mine

C

You re just like my Ritalin

D

See yeah babe, you always win

Em

You could break my wings

Said I can t sing
