I Fight Dragons - Move

Bb Eb x2

Bb **Gm**
I run from everything behind me
Bb **F**
I run from everyone I know
Bb **Gm**
If I keep moving they can't find me
Bb **F**
I learn by going where to go

Eb **Bb**
And I learned so far
F **Gm**
No matter where you are
Eb **Bb** **F**
There's always someone else if you're too slow

Bb **Eb**
Don't tell me that your heart is breaking
Gm **F**
Don't tell me that you feel alone
Bb **Eb**
Just run until your legs start shaking
Gm **F**
Don't stop until you hit the floor

Eb **Bb**
And I hope one day
F **Gm**
We find our way
Eb **Bb** **F**
Till then we got an awful lot to lose
Bb
So get up and move

Bb

Bb **Gm**
Don't stop when everybody tells you
Bb **F**

Dont stop when everybody does

Bb **Gm**
If youre the only one still moving
Bb **F**
Then keep on moving just because

Eb **Bb**
Any time youll find
F **Gm**
Its just a state of mind
Eb **Bb** **F**
That stands between what is and what was

Bb **Eb**
Dont tell me that your heart is breaking
Gm **F**
Dont tell me that you feel alone
Bb **Eb**
Just run until your legs start shaking
Gm **F**
Dont stop until you hit the floor

Eb **Bb**
And I hope one day
F **Gm**
We find our way
Eb **Bb** **F**
Till then we got an awful lot to loose
Bb
So get up and move
