C
Thereâ€™s a Polaroid picture in my mind
C
Itâ€™s me at 12 years old and I
C
Wanna tell that kid that heâ€™s alright
C **Bb** **B**
These are the best years of his life

C
Thereâ€™s an 8-bit game inside my head
C
Just one more hit and Iâ€™ll be dead
C
Iâ€™ll duck and jump and charge ahead
C **Bb** **A** **B**
And I never lose, I just reset

[Chorus]

I m twisted up inside, but nonetheless I feel the need to stay
C **G** **F**
I don t know the future, but the past keeps getting clearer every

Day

[Pre-chorus]

I know they weren't the best of times
I didn't pass the test, or know my lines
But it wouldn't change a thing
'Cause all those days were mine

[Verse]

There's an after school special in my heart

And I do my best to play my part

I learn my lesson at the start

But in the end I get torn apart

No matter how fast I go I find

A part of me gets left behind

The future calls and I decline

And turn and fight the winds of time

[Chorus]

I'm twisted up inside, but nonetheless I feel the need to stay

I don't know the future, but the past keeps getting clearer every

Day

Be kind
