Tuning: Standard

C G Am G x2

C G

Wake up,

Am G

But I haven't been to sleep

C G

Wondering,

Am G

Did it happen just for me?

F G Am C

Change, Nothing

F G

N Change, Nothing

C G Am G

C G

Pleading,

Am G

But the time won't anchor down

C G

Holding on, holding on,

Am G

To these places we think we've found

F G Am C

Change, Nothing

F G C

N Change Nothing

Dm G C Am

Burn like we've never seen red before

Dm G Am C

And move like we've never been felt before

F G Am

And I would change not a thing, about it

C F G C

No...Change, Nothing

C G Am G

(Here we go)

Wake them up,
But they haven't been to sleep
Moving time,
The morning's starting to breathe

A part of us will never leave
A kiss for you while you dream
And I would change not a thing
I would change not a thing,

Change Nothing, nothing about it at all...
