Sometime ago I met a Navajo

G C
In a parking lot in Tokyo,

D Cadd9
He said everything wordlessly,

D Cadd9
The wanderlust in my eyes he did see,

[Interlude]

G C

Oh yeah

G C

Oh, oh yeah

[Verse]

Those postcards I sent to Birmingham

G C
All the way from those windows of Amsterdam,

D Cadd9
I copped a gram from Dappersan

D Cadd9
Just to fall at her man in another jam,

[Interlude]

G C

Oh yeah

G C

Oh, oh yeah

[Chorus]

Am7 C
It s the same in any language,

Am7 C
A brother is a brother if there s one thing I know,

D Cadd9
It s the same in any language

G C

Wherever you go

G C

Oh, those freedom fighters they were good to me

and on one thing we all did agree
G **C**
Oh yeah, yeah
G **C**
Oh, oh yeah-eah

[Chorus]

Am7 **C**
It s the same in any language,
Am7 **C**
A brother is a brother if there s one thing I know,

G **C**
Wherever you go

Where are you going to?
Oh oh no no no no

Everything is...
Say say say say say where are you going to?
Where are you going to?
