Bbmaj7

I think I ve had enough of your world today

Gsus2

Eb

My head has opened up, and your pictures fall like rain

Cm

F

In front of my face they spin

Bbmaj7

We were corresponding shapes like the rocks in a ledge

Gsus2

Eb

Now this puzzle has been rained upon, and the corners lost their edge

Cm

F

Nothing fits as it once did

Ab(#11)

But at least we had finished at -

Gm Gmadd9 G* Am* Ebmaj7

All over this room I reign you are

Gm Gmadd9 G* Am* Ebmaj7

All over this room I reign you are

Gm Gmadd9 G* Am* Ebmaj7

All over this room I reign you are

Cm

What s wrong with that?

F

Nothing, I guess

Bbmaj7

So I entertain my mind with little ticks and movie flicks

Gsus2

Combinations of quirky comedies, but they ve all got romantic twists

Eb

Cm

And when I can t forget I write, that s how this whole thing came to be

G

Ab(#11)

It helps me when I m lonely

Gm Gmadd9 G* Am* Ebmaj7

All over this room I reign you are

Gm Gmadd9 G* Am* Ebmaj7

All over this room I reign you are

Gm Gmadd9 G* Am* Ebmaj7

All over this room I reign you are

Cm

What s wrong with that?

F

Nothing, I guess

Bbmaj7

F

So I guess you re right, I did abhor

Gsus2

The awkward silence we endured

F

And spoke a truce to stop the swell

Bbmaj7

And slow this spinning carousel

F

Yet still it spun from time to time

Gsus2

Laced with mistrust that cracked the spine

F

This feeble frame just would not hold

Bbmaj7

And sparked the drifting of two souls

F

I am not ready nor deserve

Gsus2

A line of love that can t be blurred

F

Into a shallow blotch of lust

Bbmaj7

A dirty thought, a pointless fuck

F

I never properly explained

Gsus2

This bodied beauty you contain

F

Is too much for a man to take

At such an ageless feeling age

Am G* Am* F
All over this room I reign you are
Am G* Am* F
All over this room I reign you are
Am G* Am* F
All over this room I reign you are

Cm

What s wrong with that?

F

Nothing, I guess

Cm

Nothing, I guess

F

Ebmaj7

Nothing, I guess

[Note the change in the last chorus.]
