

**Chasing Kites**  
**iamamiwhoami**

Intro: **Ab Bb Cm Eb Bb Ab**

**Ab** **Bb Cm** **Eb Bb Ab**  
It's a thin thin line and I've walked both sides of it  
**Ab** **Bb Cm** **Eb Bb Ab**  
Seen the other side appear so tempting worth dying for it  
**Ab** **Bb Cm**  
And your limbs aching out of want  
**Eb** **Bb Ab**  
Absorbing your every thought  
**Ab** **Bb Cm** **Eb** **Bb Ab**  
Worth risking it all for working its wonders now for you

(Refrão:)

**Ab** **Bb Cm** **Eb Bb Ab**  
Over the ocean outcast with nowhere to go (nowhere to go, nowhere to go)  
**Ab** **Bb Cm** **Eb Bb Ab**  
A brighter forecast, new winds will blow (we let go, let it go)  
**Ab** **Bb Cm** **Eb** **Bb Ab**  
The storm that's drawing near, will calm and the air is clear  
**Ab** **Bb Cm** **Eb Bb Ab**  
Waste my youth chasing kites I know will blow out of my hands

(Mesma base do verso:)

Push our heads in the sand, there is nothing here to seek  
No discovery of mine will be safe in these seas  
You feel that bitter taste on your tongue  
Swallow your every wrong  
Let your sins fill your lungs  
Ending all worries now for you

( **Fm Eb Fm Eb** )
