

I Am Terrified

IAMX

VERSE:

G#m **E** **B**
You look good in leather in bars,
C#m
Breaking things, breaking hearts.
G#m **E** **B**
You look good in pleasure, in hotels.
C#m
Loneliness is the key to break that spell.

CHORUS:

E **G#m** **F#m**
I am terrified, I think too much,
E **G#m** **F#m**
I get emotional when I drink too much,
E **G#m** **F#m**
I buy every cry, cause I don t trust,
E **G#m** **F#m**
I am terrified, I think too much.

VERSE:

In your blood, the fetish
The prize of a million teasing moments blind
Will release you from the circus, the railway
But the gravity between us will keep us safe!

CHORUS

I am terrified, I think too much,
I get emotional when I drink too much,
I buy every cry, cause I don t trust,
I am terrified!

(VERSE INSTRUMENTAL)

CHORUS

I am terrified, I think too much,
I get emotional when I drink too much,
I buy every cry, cause I don t trust,
I am terrified!
I am terrified!
I am terrified!
Cause I drink too much,
Cause I drank too much!
