A **C#m**
You walked into the world
A **Ab5(#5)/E**
As a super human boy and girl, oh
A **C#m**
And the blinking of your eyes
A **Ab5(#5)/E F#m**
I was born and sold by your manifesto
C#m C
It s a cruel world for small things
D#m F#m D#m
But with the lies and luxuries
C#m C D#m F#m D#m
And the in-between you can be happy

You put me in a cage
In the daily maze of flesh and rage
I will follow every truth
I won't let you go
I want every tomorrow

It s a cruel world for small things
But with the lies and luxuries
And the in-between you can be happy

And now I am afraid
You will blossom soon and grow and change
There is so much I can t take
But I will understand, I will open my hand

You can be happy
You can be happy
You can be happy
You can be happy

You can be happy
(It s a cruel world for small things)

You can be happy
(But with the lies and luxuries)
You can be happy
(And the in-between you can be happy)
You can be happy

You can be happy
You can be happy
You can be happy

There s an open window
And I can go through
To the life of others
There s nothing I can t do

(Fight, fight)
There s an open window
(Fight, fight)
And I can go through

(Fight, fight)
To the life of others
(Fight, fight)
There s nothing I can t do

(Fight, fight)
You can be happy
(Fight, fight)
You can be happy

(Fight, fight)
You can be happy
You can be happy
