

Dolphins Were Monkeys

Ian Brown

Ian brown , Dolphins were Monkeys.

Tabbed by Mike McConnell.

Dolphins Were Monkeys

D5/B , A

I could be the next to see
That they ll be nobody there
If you feel excited throw your hands into the air
No one can judge you baby
That don t live your life
I need the resistance
Held by your astrological sign

B5 , B , E7/G# , A

Now I m caught in the middle
You re next to me
I swim with the fishes
You come from the sea

B5, B, A

The dolphins were monkeys that didn t like the land
Walked back to the water walked back from the sand
The dolphins were monkeys that didn t like the land

E7/G# ,

Should I be walking the beach

A

Then I d be holding your hand

I could be the next to see
That there ll be nobody there
If you feel excited throw your hands into the air
No one can judge you baby
That don t live your life
I need the resistance
Held by your astrological sign

So now I m caught in the middle
You re next to me
No one alive can lock the door to your dreams
Caught in the middle
Next to me
I swim with the fishes
You come from the sea
The dolphins were monkeys
That didn t like the sand
Should I be walking the beach

I ll be holding your hand

If you feel excited throw your hands into the air

If you feel excited

Throw your hands into the air

No one can judge you baby

That don t live your life

I need the resistance

Held by your astrological sign
