

Arms And Legs

Ian Hunter

D **D/C#**
Up in the morning, unsteady on my feet
Em7 **A**
Can t seem to focus, didn t get much sleep last night
D **D/C#**
Look in the mirror, what did I see?
Em7 **A**
Ghostly shadow of a man, staring back at me

Em **G**
I m the one, that walked away from love
D **D/C#** **Em7**
Couldn t take that chance, I don t know what I was thinking of
Em7 **A**
If you want to know what love is
Em7 **A**
If you want to know what love is

D **D/C#**
These are my arms, these are my legs
Em7 **A**
These are the thoughts running round in my head
D **D/C#** **Em7**
I want to be where you are, I want to do what you do
A **D** **D/C#** **Em7** **A**
Cause nothin really matters but you

D **D/C#**
You are my illness, you are my disease
Em7 **A**
You re up there on that pedestal, I m down here on my knees
D **D/C#**
You are my obsession, every waking hour
Em7 **A**
All I do is think of you, wondering where you are

Em **G**
I m the one, watching from a distance,
D **D/C#** **Em7**
Can t believe, ah you re smiling without me,
Em7 **A**
If you want to know what love is
Em7 **A**
If you want to know what love is

D **D/C#**
These are my arms, these are my legs

Em7 **A**
These are the thoughts running round in my head
D **D/C#** **Em7**
I want to be where you are, I want to do what you do
A **D** **D/C#** **Em7** **A**
Cause nothin really matters but you

(Slow down)

D **D/C#**
I still got your picture, hanging in my soul
Em7 **A**
Everytime I look at it the tears just start to roll,
D **D/C#**
I still got your laughter buried in my brain
Em7 **A**
Every time I hear it I start tearing up again

Em **G**
I m the guy you never seemed to notice
D **D/C#** **Em7**
A passerby, our eyes would never meet
Em7 **A**
But if you want to know what love is,
Em7 **A**
If you want to know what love is!

D **D/C#**
These are my arms, these are my legs
Em7 **A**
These are the thoughts running round in my head
D **D/C#** **Em7**
I want to be where you are, I want to do what you do
A **D** **D/C#** **Em7** **A**
Cause nothin really matters but you
