

## **Ships**

**Ian Hunter**

**C F G E**  
We walked to the sea, just my father n me  
**Am C F G**  
And the dogs played around on the sand  
**C F G E**  
Winter cold cut the air, hangin still ev rywhere  
**Am C F G**  
Dressed in gray, did he say hold my hand  
**C C7 F Em**  
I said love s easier when it s far away  
**Dm F G F**  
We sat n watcht a distant light

**G C Em F G**  
We re two ships that pass in the night  
**C Em F G**  
We both smile and we say it s alright  
**C Em F E**  
We re still here, it s just that we re out of sight  
**Am G F G**  
Like those ships that pass in the night

**C F G E**  
There s a boat on the line where the sea meets the sky  
**Am C F G**  
There s another that rides far behind  
**C F G E Am**  
And it seems you and I are like strangers a wide ways apart  
**C F**  
As we drift on through time  
**C C7 F Em**  
He said it s harder now we re far away  
**Dm F G F**  
We only read you when you write

**G C Em F G**  
We re two ships that pass in the night  
**C Em F G**  
And we smile when we say it s alright  
**C Em F E**  
We re still here, it s just that we re out of sight  
**Am G F G**  
Like those ships that pass in the night

**C Em F G**  
We re ships that pass in the night

**C** **Em** **F** **G**  
And we smile when we say it s alright  
**C** **Em** **F** **E**  
We re still here, it s just that we re out of sight  
**Am** **G** **F** **G**  
Like those ships that pass in the night

**C** **Em** **F** **G**  
We re ships that pass in the night  
**C** **Em** **F** **G**  
And we smile when we say it s alright  
**C** **Em** **F** **E**  
We re still here, it s just that we re out of sight
