F#m * play F#m to E6 over and over

F#m *

It s a long way down to Reno Nevada

It s a long way to your home

And the change in your pocket it s beginnig to grumble

And you reap just about what you sow

Bm E6

You can walk down the street

Bm E6

Pass your face in a window

F#m C#7

you can go fooling around

F#m Bm

you can work night and day take a chance on promotion

F#m

you can fall through a hole in the ground

F#m *

Now there ain t no game like the game that you re playing

When you ve got a little something to lose

And there ain t no time like the time that you re wasting

And you waste just about what you choose

Bm E6 Bm E6

There s a man at the table and you know he s been able
