C

Get your handful of remembrance

F

For you to sprinkle through your life

C

In between the penance

F

That you carry by your side

C

With the make belief and miracles

F

That only come alive

G

In Candleland

Candleland

C,

Wear your guilt like skin

F

And keep your sins disguised

C

Take some salt and sugar

F

And rub it in your eyes

C

You ll know that something s left you

F

Just as you arrive

G

In Candleland

Candleland

C

I walked back inside me

F

I d gone back from my youth

C

As I came down the fire escape

F

It must have stayed up on the roof

C

They say you just know

F

And the knowing is the proof

G

Of Candleland

Candleland
