Get your handful of remembrance

E

For you to sprinkle through your life

B

In between the penance

E

That you carry by your side

B

With the make belief and miracles

E

That only come alive

Candleland

B,

Wear your guilt like skin

E

And keep your sins disguised

B

Take some salt and sugar

E

And rub it in your eyes

B

You ll know that something s left you

E

Just as you arrive

F#

In Candleland

Candleland

B

I walked back inside me

E

I d gone back from my youth

B

As I came down the fire escape

E

It must have stayed up on the roof

B

They say you just know

E

And the knowing is the proof
