

Who Do You Want For Your Love
Ian McNabb

ICICLE WORKS " (ian McNabb)
Who do you want for your love

Intro " not sure first 4 bars " then E,Esus4,E5,Esus4 etc

E **G#m**
I m not yet convinced that pride will come before a fall
A **E** **B** **F#m**
I have seen you standing in your Sunday best and all
E **G#m**
Waiting for a fool to take you further than you are
A **E** **B** **F#m**
Given time you ll finish every heartache that you start

Chorus:

C **F** **G** **F, F/E, F/D**
Who do you want for your love
Better make up your mind cos time is passing
You ll be left behind
Who do you want for your love
C **F** **G**
Better make up your mind cos time is passing
F **E, Esus, E**
Who do you want for your love

How can I deny that I would take you for my own
Love to play the loner till I find myself alone
Perhaps your indecision speaks of why I ve tried for so long
Talk about you, sing about your brown eyes in a song

Repeat Chorus

A **D** **G** **D**
Could you make that move embrace that certain moment
When you know you re on your own, lose those apron strings
Dance and sing
I know cos I ve been there, let me tell you it s no party
When you re lost, count the cost, falling on someone is not the answer

Guitar solo is verse chords (up a tone)
(**F#,, A#m,,B,F#,C#,G#m**

Repeat Chorus

- this is busker version , its not a note for note TAB ,
-
