Barrel Racing Angel

=====

by: Ian Tyson
written by: Ian Tyson - Slick Fork Music

E **F#m**
In the Arizona sunlight
F#m **E**
In the Colorado moonlight
E **F#m**
When she gets there it s gonna feel alright
F#m **E**
Now she s feeling so tired
E **C#m**
She got her big bay horse
C#m **A**
The one she calls the Rolling Sun
A **F#m**
The hard running faithful one
F#m **B**
Out in front of all the rest
B **E**
She s a barrel racing angel
A **E**
Out there somewhere in the west

E **F#m**
Well I wish you could ve seen them
F#m **E**
At the short go in Cheyenne
E **F#m**
Old Sunny s rolling like a thunderstorm
F#m **E**
Fast as lightning on the plain
E **C#m**
Now they re tired and sore
C#m **A**

But they gotta go some more

A **F#m**

On the road to Las Vegas

F#m **B**

There is no place to rest

B **E**

She s a barrel racing angel

A **E** **A** **E**

Out there somewhere in the west

Bridge:

A

Cowgirls are special when they follow their dreams

A **E**

Every race is a brand new start

E **A**

Some are running for the sake of running

A **E**

Some are running from a broken heart

E **F#m**

Just one thing you gotta know

F#m **E**

You can t hold her, you gotta let her go

E **F#m**

You can t catch a silhouette

F#m **E**

She s like ice, she s like fire

E **C#m**

They re gonna fly as one

C#m **A**

She and Rolling Sun

A **F#m**

Out among the stars

F#m **B**

Ahead of all the rest

B **E**

She s a barrel racing angel

A **E** **A**

Out there somewhere in the west

A **E**

She s a barrel racing angel

A **E**

Out there somewhere in the west

From the album All The Good uns 1996 Stony Plain Records
