Springtime In Alberta  
=====  
by: Ian Tyson

capo 3rd fret

Verse 1:  
-----

**G#** (strum once)                    **Eb**  
Should ve seen it in your eyes  
**Eb**                                    **G#**  
I could never read your eyes  
**G#**                                    **Eb**  
So lost in love was I  
**Eb**                                    **G#**  
It always takes me by surprise  
**G#**                                    **C#**  
You were dreamin of the south land  
**C#**  
How your love comes and goes  
**C#**                                    **G#**  
It s just like the weather babe  
**G#**                                    **Bbm**  
Only heaven really knows

Chorus:  
-----

**Bbm**                                    **Eb**  
Just like springtime in Alberta  
**Eb**                                    **G#**  
Warm sunny days and the skies of blue  
**G#**                                    **Eb**  
Then without a warning  
**Eb**                                    **G#**

Another winter storm comes ragin through

**G#** **C#**  
And the mercury s fallin  
**C#** **Cm** **G#**  
I m left all alone  
**G#** **Bbm** **Eb**  
Springtime in Alberta  
**Eb** **G#**  
Chills me to the bone

Verse 2:

-----

**G#** (strum once) **Eb**  
I can see the storm clouds coming  
**Eb** **G#**  
Lord they re dark across the sky  
**G#** **Eb**  
The same look that I ve seen so many times  
**Eb** **G#**  
When I ve looked into your eyes  
**G#** **C#**  
So I ll turn up my old collar  
**C#**  
Pull my hat way down low  
**C#** **G#**  
Oh the wind s gettin colder now  
**G#** **Bbm**  
Droppin down to near zero

Repeat Chorus:

-----

**Fm** **Bbm** **Eb**  
Springtime in Alberta  
D G D G (strum each chord once to end)  
Chills me to the bone

>From the album And Stood There Amazed 1991
