

Fight
Icon For Hire

Intro: **D#m F#**

Verso: **Ebm**

D#m

Don t know how i got here but i refuse to stay

D#m

I betrayed myself when i let others have their way

D#m

But i am holding on, my finger on the pulse

D#m

The sound of my heart pounding tells me there s still hope

Pré-Refrão:

B C# D#m

But people don t like when you put up a fight

B C#

And slowly, ever so slowly, i am loosing mine

D#m C# D#m C#

I ll fight, fight,

B C# D#m C#

fight or be taken out alive

D#m

Fight!

B C#

Nowhere to run, nowhere to hide

B C#

Standing on the edge, am i better off dead?

D#m C#

How could i forget that i m better than this

B

I ve come too far to fade tonight

B C# D#m C# D#m

Fight, or be taken out alive

(Verso)

Pré-Refrão:

D#m C#

I ve survived on life support but i m stronger than i give myself credit for

B C#

These conditions only cure when we prepare ourselves for war

(Refrão)
