

Make A Move

Icon For Hire

F#

Test my reality, check if there s a weak spot

A

Clinging to insanity in hopes the world will ease up

B7

Try and make it look like it s all somehow getting better

F#

Cause I know how to play it pretty good against the measure

Pre-Chorus:

F#

Cause everybody s so scared

A

We don t want to go there

B7

We don t want to make a move

F#

We ve got all our lives to lose

A

Screaming in the dark

B7

While we just play our part

F#

ll play right along

A

Like I don t know what s going on

B7

Somebody make a move

F#

Somebody make a move

A

Please somebody make a move

B7

We all know, we all know what s going on

Bridge:

F#

Pointing my fingers

A

The problems still linger

B7

They keep getting bigger

F#

And I hold the trigger
