[Just keep repeating the same chord pattern throughout the whole song]

Our winter melts under the summer skies, the summer skies
The seasons change, our hearts will stay the same, yeah stay the same
We got that burning feeling, start a fire, start a fire
Give it a shot, let s make it hot

Come on baby we can hit the lights
Make the wrongs turn right
We can smash the club, make the pop go rock
With a love this deep, we don t need no sleep
And it feels like we could do this all night

We could do this all night
Yeah everything is alright

We got the keys to open paradise, yeah paradise
It feels like....we could do this all night
