

Puppy Dog Eyes
Ida Laurberg

[Verse]

F#
You know you look good
G#m
but i know you re bad
A#m
i think you sound cool
G#m
but we know the words
C#
may hurt me
F#
you talk that way
G#m
it could make me faint
A#m
makes me insecure
G#m
but i want some more
C#
im sure
A#m
but the problem is

[Chorus]

G#m
i just love
F#
your puppy dog eyes
G#m
put your hand
F#
on my inner thighs
A#m
you won t love
G#m
my puppy dog eyes
A#m
you just wanna be
G#m C#
between my thighs (repeat)

[Verse]

F#
i sell my soul
G#m
i think i m bold

A#m

so i feel wanted

G#m

but now i m haunted

C#

i lost it

F#

you haunt my mind

G#m

and every thought

A#m

i m thinking why

G#m

does it have to be

C#

this hard

[Chorus] x3

G#m

i just love

F#

your puppy dog eyes

G#m

put your hand

F#

on my inner thighs

A#m

you won t love

G#m

my puppy dog eyes

A#m

you just wanna be

G#m

C#

between my thighs
