JUST ANOTHER LOVE SONG - Identity

Tabbed by: Alex Day, Nerimon

Tuning: Standard

This is my first guitar tab, I haven't been playing for very long but I was inspired cos I love this song from the upcoming band Identity. If you haven't heard of them, please listen out for them or d/l stuff from a file-sharing program if you can find it, it's really worth it if you like that American punk-rock sound.

All the chords are here but I included the intro and end riffs as well, they should be right.

Intro riff:

```
e|-2-2-2-0-0-0-----3-3-3-5-5-2-0-----2-2-2-0-0-0-----3-3-3-5-5-2-0-----|
B|-----3-3-----3-3-----|
G|-----|
D|-----|
A|-----|
E|-----|
x2
```

End riff:

```
e|-2-2-5-2-2-0-0-----2-----|
B|-----3-3-----3-----|
G|-----2-----|
D|-----0-----|
A|-----0-----|
E|-----0-----|
```

And the song itself:
