**Idina Menzel**

\* I've already seen people using these chords and putting it on YouTube - if you do so, please mention in the credits where you got them from (at least that...). Thank you!

**C**

Don't know just where I'm going,

**Am**

And tomorrow, it's a little overwhelming

**G#**

And the air is cold,

**G**

And I'm not the same anymore.

**C**

I've been running in your direction,

**Am**

For too long now,

Lost my own reflection,

**G#**

And I can't look down,

**G**

If you're not there to catch me when I fall.

Chorus:

**C**

**G**

If this is the moment I stand here on my own,

**Am** **Am7**

If this is my rite of passage that somehow leads me home,

**F**

I might be afraid,

**G**

**C**

But it's my turn to be brave.

**C**

**G**

If this is the last chance before we say goodbye,

**Am** **Am7**

At least it's the first day of the rest of my life,

**F**

I can't be afraid,

**G**

**C**

Cause it's my turn to be brave.

**C**

All along all I ever wanted

**Am**

Was to be the light when your life was daunting,

**G#**

But I can't see mine,

**G**

when I feel as though you're pushing me away.

**C**

Well who's to blame, are we making the right choices,

**Am**

Cause we can't be sure if we're hearing our own voices,

**G#**

**G**

As we close the door, even though we are so desperate to stay.

Chorus:

**C**

**G**

If this is the moment I stand here on my own,

**Am**

**Am7**

If this is my rite of passage that somehow leads me home,

**F**

I might be afraid,

**G**

**C**

But it's my turn to be brave.

**C**

**G**

If this is the last chance before we say goodbye,

**Am**

**Am7**

At least it's the first day of the rest of my life,

**F**

I can't be afraid,

**G**

**C**

Cause it's my turn to be brave.

**G Am**

And I might still cry

**F**

And I might still bleed

**Dm**

These thorns in my side

**Am**

This heart on my sleeve

**G**

And lightning may strike

**Am**

This ground at my feet

**Dm**

And I might still crash

**D**

But I still believe

Last Chorus:

**D**

This is the moment I stand here all alone
