

## No Day But Today

Idina Menzel

D            A/D    D            A/D            Bm  
There s only us, there s only this  
          A        G            A4  
Forget regret, or life is yours to miss.

D            A/D    D            A/D            Bm  
No other path, no other way,  
          A            G  
No day but today.

D            A/D    D            A/D            Bm  
There s only us, only tonight,  
          A        G            A4  
we must let go, to know what s right.

D            A/D    D            A/D            Bm  
No other road, no other way,  
          A            G  
No day but today...

G            D        G            D        G            D  
I can t control my destiny, I trust my soul,  
          Em                    F#  
My only goal is just to be.

B            F#/B    B            F#/B            G#m  
There s only now, there s only here,  
          F#        E            E/F#        B  
Give in to love, or live in fear.  
          F#/B    B            F#/B        G#m  
No other path, no other way,  
          F#            E  
No day but today.

B            F#/B    B            F#/B            G#m  
There s only us, there s only this,  
          F#        E            E/F#                    B  
Forget regret, or life is yours to miss.  
          F#/B    B            F#/B        B  
No other road, no other way,  
          F#            E  
No day but today!

B            F#            E  
No day but today...

B            F#            E  
No day but today...

B            F#            E  
No day but today...

B            F#            E  
Huuuumm... No day... but today.
