

Once Upon A Time
Idina Menzel

Eb C# G# G#m X 2

Eb C# G# G#m
All the king s horses and all the king s men

Eb C# G# G#m
Couldn t put us back together again.

Eb C#
We huffed and we puffed,
G# G#m
And we blew this house down.

B Bb
We tried. Yeah, we tried.

Eb C# G# G#m
The sticks and the stones were breaking my bones,

Eb C# G# G#m
And the names that were said kinda hurt us.

Eb C# G# G#m
Riddle me this and riddle me that.

B Bb
What went wrong? What went wrong?

Chorus:

Eb C# G# G#m
When did the sun stop shining?

Eb C# G# G#m
When did we turn into two divided?

Eb C# G# G#m
I guess we will never really know why,

G#m Eb
But I remember once upon a time.

Eb C# G# G#m X 2

Eb C# G# G#m
Sometimes I wish upon a star

Eb C# G# G#m
To give you a reason to give me your heart.

Eb C# G# G#m
Rock-a-bye baby, you rocked me goodbye.

B Bb
Tell me why. Tell me why.

Chorus:

Eb C# G# G#m
When did the sun stop shining?
Eb C# G# G#m
When did we turn into two divided?
Eb C# G# G#m
I guess we will never really know why,
G#m Eb
But I remember once upon a time.

Eb C# G# G#m X 2

Eb C# G# G#m
All the king s horses and all the king s men
Eb C# G# G#m
Couldn t put us back together again.
Eb C#

G# G#m
And we blew this house down.
B
We tried, yeah, oh, we tried...
G#
Oh, you know we tried...

Chorus:

Eb C# G# G#m
When did the sun stop shining?
Eb C# G# G#m
When did we turn into two divided?
Eb C# G# G#m
I guess we will never really know why,
G#m Eb
But I remember, yeah, I remember.

Eb C# G# G#m
When did the sun, when did the sun stop shining?
Eb C# G# G#m
When did we turn into two divided?
Eb C# G# G#m
I guess we will never really know why,
G#m
But I remember once upon a time.
Eb C# G# G#m X 2
Once upon a time...
