

Once Upon A Time
Idina Menzel

C Bb F Fm X 2

C Bb F Fm
All the king s horses and all the king s men
C Bb F Fm
Couldn t put us back together again.
C Bb
We huffed and we puffed,
F Fm
And we blew this house down.
G# G
We tried. Yeah, we tried.

C Bb F Fm
The sticks and the stones were breaking my bones,
C Bb F Fm
And the names that were said kinda hurt us.
C Bb F Fm
Riddle me this and riddle me that.
G# G
What went wrong? What went wrong?

Chorus:

C Bb F Fm
When did the sun stop shining?
C Bb F Fm
When did we turn into two divided?
C Bb F Fm
I guess we will never really know why,
Fm C
But I remember once upon a time.

C Bb F Fm X 2

C Bb F Fm
Sometimes I wish upon a star
C Bb F Fm
To give you a reason to give me your heart.
C Bb F Fm
Rock-a-bye baby, you rocked me goodbye.
G# G
Tell me why. Tell me why.

Chorus:

C Bb **F** **Fm**
When did the sun stop shining?
 C **Bb** **F** **Fm**
When did we turn into two divided?
 C **Bb** **F** **Fm**
I guess we will never really know why,
 Fm **C**
But I remember once upon a time.
