

Once Upon A Time
Idina Menzel

C# B F# F#m X 2

C# B F# F#m
All the king s horses and all the king s men
C# B F# F#m
Couldn t put us back together again.
C# B
We huffed and we puffed,
F# F#m
And we blew this house down.
A G#
We tried. Yeah, we tried.

C# B F# F#m
The sticks and the stones were breaking my bones,
C# B F# F#m
And the names that were said kinda hurt us.
C# B F# F#m
Riddle me this and riddle me that.
A G#
What went wrong? What went wrong?

Chorus:

C# B F# F#m
When did the sun stop shining?
C# B F# F#m
When did we turn into two divided?
C# B F# F#m
I guess we will never really know why,
F#m C#
But I remember once upon a time.

C# B F# F#m X 2

C# B F# F#m
Sometimes I wish upon a star
C# B F# F#m
To give you a reason to give me your heart.
C# B F# F#m
Rock-a-bye baby, you rocked me goodbye.
A G#
Tell me why. Tell me why.

Chorus:

C# B F# F#m
When did the sun stop shining?
C# B F# F#m
When did we turn into two divided?
C# B F# F#m
I guess we will never really know why,
F#m C#
But I remember once upon a time.
