

Once Upon A Time
Idina Menzel

E D A Am X 2

E D A Am
All the king s horses and all the king s men
E D A Am
Couldn t put us back together again.
E D
We huffed and we puffed,
A Am
And we blew this house down.
C B
We tried. Yeah, we tried.

E D A Am
The sticks and the stones were breaking my bones,
E D A Am
And the names that were said kinda hurt us.
E D A Am
Riddle me this and riddle me that.
C B
What went wrong? What went wrong?

Chorus:

E D A Am
When did the sun stop shining?
E D A Am
When did we turn into two divided?
E D A Am
I guess we will never really know why,
Am E
But I remember once upon a time.

E D A Am X 2

E D A Am
Sometimes I wish upon a star
E D A Am
To give you a reason to give me your heart.
E D A Am
Rock-a-bye baby, you rocked me goodbye.
C B
Tell me why. Tell me why.

Chorus:

When did the sun stop shining?
When did we turn into two divided?
I guess we will never really know why,
But I remember once upon a time.

E D A Am X 2

All the king s horses and all the king s men
Couldn t put us back together again.
We huffed and we puffed,
And we blew this house down.
C
We tried, yeah, oh, we tried...
Oh, you know we tried...

Chorus:

When did the sun stop shining?
When did we turn into two divided?
I guess we will never really know why,
But I remember, yeah, I remember.

When did the sun, when did the sun stop shining?
When did we turn into two divided?
I guess we will never really know why,
But I remember once upon a time.
E D A Am X 2
Once upon a time...
