

**Goodnight
Idlewild**

Goodnight
Idlewild

Intro

F#, C#, B, C#, B, C#, F#

Verse

F# **C#**
You thought shyness was to blame
B **C#**
And you'd get to live your life again
B **C#** **F#**
When you get to wish everyone goodnight
F# **C#**
As the crowd booed out your name
B **C#**
At least they spelled it right, so you don't complain
B **C#** **F#**
Why everyone is wishing you goodnight

Chorus

B **F#**
And maybe I'm wrong
B **F#**
And maybe you're right
B **F#** **C#**
What if I was the only one who can say goodnight

Verse

F# **C#**
It's your heroes who are to blame
B **C#**
Constantly saying things that they don't explain
B **C#** **F#**
Well that's too bad, but I still can't say goodnight
C# **F#**
And I just can't stay tonight
C# **B#** **C#**
I woke up saying goodnight

Outro

F#, F#, B, C#
