Go - to what goes back  
**Cmaj7** **Dsus2**  
From the wild - Follow it and stay there  
**Em** **Dsus2**  
Stuck in your shack - You see pointlessness all right  
**Cmaj7** **Dsus2**  
You can let me lay there - For a while

[Chorus]

**C** **Dsus2 Asus2**  
Carry on, left like roses  
**Em** **Dsus2** **C**  
Piece by piece, by the side of the road  
**C** **Dsus2** **Asus2** **Em Dsus2 C**  
If you can t collect yourself up from the one that you love

I know that Spring is coming - But I don t know what Spring may bring

I can stick around and let you in on nothing - But out here swimming  
**Em** **Dsus2**  
Missing what it was - That bothered us on land  
**Cmaj7** **Dsus2**  
That bothered us in the Summertime - The season none of us could stand

[Chorus]

**C** **Dsus2 Asus2**  
Carry on, rotten roses  
**Em** **Dsus2** **C**  
Left for no one, by the side of the road  
**C** **Dsus2** **Asus2**  
If you can t collect yourself up from the one that you love  
**Em** **Dsus2** **C**  
You know how it goes
