[Chorus]

Honey Lavender Ieuan [Intro] You don t wanna stay the night C# You don t wanna-You don t wanna stay the night You don t wanna stay the night Ebm You don t wanna stay the night C# You don t wanna-E You don t wanna stay the night [Verse 1] Ebm I don t wanna be your secret Cause by the time I m here you re leaving You never wanna take the chance You got two left feet, but you still know how to dance [Refrain] E Ebm I don t mean to rush you, baby Indecisiveness got me feeling crazy Ebm And I don t want any bad karma C# But when you gonna tell your momma? [Pre-Chorus] That you met a boy, you don t care what she tells your father Why would you bother to cover up your tracks Never call me back, back to where we started Oh

```
Ebm
Е
 Cause you don t wanna stay the night
                     Е
You don t know your wrong from right (wrong from right, yeah)
Sweet like honey lavender
Keep on running back to her (back to her)
[Verse 2]
                 Ebm
I don t wanna be your back up
 C#
                  Е
You hit me when you had enough
I guess I got to roll the dice
You say pretty little things, but you don t play nice
Yeah
[Refrain]
                  Ebm
I don t mean to rush you, baby
Indecisiveness got me feeling crazy
                   Ebm
And I don t want any bad karma
   C#
But when you gonna tell your momma?
[Pre-Chorus]
That you met a boy, you don t care what she tells your father
                        Ebm
Why would you bother to cover up your tracks
Never call me back, back to where we started
Oh
[Chorus]
                    Ebm
Cause you don t wanna stay the night
You don t know your wrong from right (wrong from right, yeah)
Sweet like honey lavender
Keep on running back to her (back to her)
[Bridge]
                   Ebm
```

```
You don t wanna-
You don t wanna stay the night
You don t wanna stay the night
You don t wanna stay the night
You don t wanna-
You don t wanna stay the night
[Verse 3]
                        Ebm
You say that you want me, but I don t know
Patience like petrol, it s running low
I m still gonna try and give you space
And I don t know what else to say now
[Chorus]
                    Ebm
Cause you don t wanna stay the night
You don t know your wrong from right (wrong from right, yeah)
Sweet like honey lavender
Keep on running back to her (back to her)
                    Ebm
Cause you don t wanna stay the night
You don t know your wrong from right (wrong from right, yeah)
Sweet like honey lavender
Keep on running back to her (back to her)
```

You don t wanna stay the night
