

Brick By Brick
Iggy Pop

(intro 4x) **Dsus4 D**

D

People are sad and I know why
With no chance to live before you die

G C G

You get pretty sick if you hafta keep it inside

(**D4 D**) (2x)

D

I wanna build a house where an ad don t scream
I wanna leave in peace - quietly

G C G

I wanna have a place of love & safety

(**D4 D**) (2x)

D

People oughta live how & where they want
People oughta have respect in front

G C G

People oughta get along pretty O.K.

(**D4 D**) (2x)

Em A

So get off my dick

G C G D

I m building it brick by brick

C G D

Brick by brick

I m building a house where I can think
And have some balance and dignity
I m building a house where no one can hurt me

I m buidling a house where the weak are strong
I m building a house with a real song
I m using a faith that is immortal

I m building it with simplicity
And the way that we feel, you and me
I m building it with what I believe in

So get off my dick
cause I m building this

Brick by brick
Brick by brick
Brick by brick

D **G**

Now I m looking at just a little time

Em

So be it

A

I want to

D **C**

be true to my simple heart

Em

A

And not put nothing else above it
