LIVING ON THE EDGE OF THE NIGHT
(Iggy Pop)

A
You went off the river
D
Smoke stacks fade to blind
A
This town s my own, ridin free and alone
D
And I m looking back
A **D**
Maybe I know some people
A **D**
Maybe I break some rules
A **D**
But this is the street, I ve got to compete
F **G**
Baby, I ain t no fool

C **A**
*So I take a little bad with the good
F **G**
It ain t just black and white
(It still ain t black and white)
C **A**
You ve got to deal with the real
F **G** **C** **A**
Woo, living on the edge of the night

Am
Every wild desire
Dm
Beckons from the dark
Am
I ve made my bed but I can t risk my head
Dm
While I still swim with sharks
Am **Dm**
Everyone needs something
Am **Dm**
Sometimes they don t know why
Am **Dm**
But so much good s been misunderstood
F **G**
In the blink of the eye

(Repeat *)

Am **Dm**
You say that you don't like it
Am **Dm**
Or maybe it's just my life
Am **Dm**
So you live yours and I'll keep mine
F **G** **C** **Am** **F** **G**
Rolling like a wheel through the city on the edge of the night
C
And when the black rain's down
Am
In this cold grey town
F
I'll be waiting
G **C** **Am**
Waiting at the edge of the night
F **G** **C** **Am**
Woo, living on the edge of the night
F **G** **Am** **Dm** **Am** **Dm** **Am**
Woo, living on the edge of the night
