LIVING ON THE EDGE OF THE NIGHT  
(Iggy Pop)

**A**  
You went off the river  
**D**  
Smoke stacks fade to blind  
**A**  
This town s my own, ridin free and alone  
**D**  
And I m looking back  
**A** **D**  
Maybe I know some people  
**A** **D**  
Maybe I break some rules  
**A** **D**  
But this is the street, I ve got to compete  
**F** **G**  
Baby, I ain t no fool

**C** **A**  
\*So I take a little bad with the good  
**F** **G**  
It ain t just black and white  
(It still ain t black and white)  
**C** **A**  
You ve got to deal with the real  
**F** **G** **C** **A**  
Woo, living on the edge of the night

**Am**  
Every wild desire  
**Dm**  
Beckons from the dark  
**Am**  
I ve made my bed but I can t risk my head  
**Dm**  
While I still swim with sharks  
**Am** **Dm**  
Everyone needs something  
**Am** **Dm**  
Sometimes they don t know why  
**Am** **Dm**  
But so much good s been misunderstood  
**F** **G**  
In the blink of the eye

(Repeat \*)

**Am** **Dm**  
You say that you don't like it  
**Am** **Dm**  
Or maybe it's just my life  
**Am** **Dm**  
So you live yours and I'll keep mine  
**F** **G** **C** **Am** **F** **G**  
Rolling like a wheel through the city on the edge of the night  
**C**  
And when the black rain's down  
**Am**  
In this cold grey town  
**F**  
I'll be waiting  
**G** **C** **Am**  
Waiting at the edge of the night  
**F** **G** **C** **Am**  
Woo, living on the edge of the night  
**F** **G** **Am** **Dm** **Am** **Dm** **Am**  
Woo, living on the edge of the night
